FRANKLIN LAKES, N.J. — Special Properties Real Estate Services is hosting a toy drive for children involved with a Paterson nonprofit.

Unwrapped toys may be dropped off at the realtor's Franklin Lakes office at 837 Franklin Lakes Road until Dec. 19. Toys will be donated to OASIS, an organization that works to help women and their children out of poverty.

"As an expanding corporate neighbor in northern Bergen County, we wanted to use our regional presence and our access to friends and neighbors in the community to brighten the holidays for the children served by OASIS," said Linda Kaulf-Krissi, officer manager of Special Properties' Franklin Lakes office.

Let's Pretend in Ramsey and The Toy Box in Franklin Lakes, will offer a 15 percent discount on donations purchased at their stores for the drive.
